Records Integration/PO

22 July 1958

THRU : Comptroller

Records Management Officer, Office of the Comptroller

Deposit of Vital Materials

1. A copy of memorandum to Chief, Records Integration, dated 24 April 1956, from the Chief, Project Administrative Planning Staff, DD/S, was furnished this Office in which a request was made for the establishment of a file of Administrative Plans in the Vital Materials Repository.

2. On 14 May 1957, verbal information was furnished by [REDACTED] that copies of Administrative Plans were being deposited.

3. It would be appreciated if you would advise if these documents are currently being deposited and if they could be made available to Office of the Comptroller Staff in the event of an emergency.
